Report on the Audit of the Financial Statements

We have audited the accompanying financial statements of Family Promise of Spokane, Inc. (a nonprofit organization), which are comprised of the statements of financial position as of June 30, 2025 and 2024, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of Family Promise of Spokane, Inc. (the Organization) as of June 30, 2025 and 2024, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying Schedule of Expenditures of Federal Awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Expenditures of Federal Awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated March 25, 2026 on our consideration of Family Promise of Spokane, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Family Promise of Spokane, Inc.'s internal control over financial reporting and compliance.

Notes to Financial Statements
June 30, 2025 and 2024

1. Organization

Family Promise of Spokane, Inc. (“the Organization”) is a Washington not-for-profit organization working to end the cycle of homelessness for families in Spokane County. The Organization defines a family as anyone caring for a minor child or who is pregnant. The Organization operates two main categories of programs. Housing programs provide shelter for families that are currently experiencing homelessness. Case Management programs include rental assistance and diversion counseling to prevent families from becoming homeless, assistance to families currently residing in one of the shelters to transition to permanent housing and stabilization counseling to support families’ lives and livelihoods after moving into housing of their own. As of June 30, 2025, the Organization operated out of five facilities within the city limits of Spokane and Spokane Valley, Washington. Additionally, the Organization has eight apartment units of which six are utilized as low-income rentals and two are utilized as transitional housing under a U.S. Department of Housing and Urban Development (HUD) grant.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America and the American Institute of Certified Public Accountants’ *Audit and Accounting Guide for Not-for-Profit Organizations*. Under the accrual basis of accounting, revenues are recognized when they are earned and expenses are recognized as incurred.

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 958, *Not-For-Profit Entities*, as amended, establishes standards for external financial statements of not-for-profit organizations. It requires classification of net assets and revenues, expenses, gains and losses into two categories, based on the existence or absence of donor-imposed restrictions (see Note 16) and disclosure on liquid resources and the availability of financial assets to meet cash needs for general expenditures (see Note 3). In addition, a statement of cash flows is required to be presented.

Recent Accounting Pronouncements

New accounting standards are issued by the FASB through Accounting Standards Updates (ASU) to the FASB ASC. The FASB does not consider the updates authoritative on a standalone basis; they become authoritative when incorporated into the ASC.

Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits in banks and other highly liquid investments which have original maturities of three months or less when purchased.

2. Summary of Significant Accounting Policies, Continued

Grants and Contracts Receivable

Grants and contracts receivable are stated at the amount that management of the Organization expects to collect from outstanding balances. If considered necessary, management provides for probable uncollectible amounts through an allowance for doubtful accounts. Additions to the allowance for doubtful accounts are based on management's judgment, considering historical write-offs, collections and current credit conditions. Balances which remain outstanding after management has made reasonable collection efforts are written off through a charge to the allowance for doubtful accounts and a credit to the applicable accounts receivable. Payments received subsequent to the time that an account is written off are considered bad debt recoveries and are recorded as an offset to expenses. Management expects all June 30, 2025 receivables to be fully collectible and, therefore, no allowance for doubtful accounts has been provided as of that date.

Pledges Receivable

Pledges receivable, if any, are recognized upon notification of a donor's unconditional promise to give, and are stated at the amount that management of the Organization expects to collect. Management provides for probable uncollectible amounts through an allowance for uncollectible pledges. Additions to the allowance for uncollectible pledges are based on management's judgment, considering historical write-offs, collections and current credit conditions. Balances which remain outstanding after management has used reasonable collection efforts are written off through a charge to the allowance for uncollectible pledges and a credit to the applicable pledge receivable. Payments received subsequent to the time that a pledge is written off are considered bad debt recoveries.

Property and Equipment

Purchased property and equipment are carried at cost. Donated property and equipment, if any, are carried at their estimated fair value at the date of donation. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use, and contributions of cash that must be used to acquire property and equipment, are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor.

Expenditures for repairs and maintenance that represent betterments or substantially prolong the useful lives of assets are also capitalized. Only assets with a cost or value of \$2,500 or greater and estimated useful lives greater than one year are capitalized as property and equipment. Normal maintenance and repairs are charged to expense as incurred. When assets are sold or otherwise disposed of, the cost and accumulated depreciation are removed from the accounts and any resulting gains or losses are recognized in the Statements of Activities and Changes in Net Assets.

Property and Equipment, Continued

Depreciation of property and equipment is computed using the straight-line method over the estimated useful lives of the assets, as follows:

Buildings and improvements	7 to 40 years
Furniture and equipment	3 to 15 years
Vehicles	7 years

Valuation of Long-Lived Assets

Management of the Organization periodically reviews the net carrying value of its assets for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset might not be recoverable. These reviews consider the net realizable value of each asset to determine whether an impairment in value has occurred, and whether there is a need for an asset impairment write-down. Impaired assets are reported at the lower of cost or fair value. At June 30, 2025 and 2024, no assets were considered to be impaired.

Financial Instruments

ASC Topic 825, *Financial Instruments*, permits entities to choose to measure many financial assets and liabilities at fair value. The fair value of a financial instrument is the amount at which the instrument could be exchanged in a current transaction between willing parties, other than a forced liquidation sale. At June 30, 2025 and 2024, the carrying value of financial instruments, such as receivables, accounts payable and other current liabilities, approximated their fair values based on the short-term maturities of those instruments.

Fair Value Measurements

ASC Topic 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy for those assets and liabilities measured at fair value, which distinguishes between assumptions based on market data (observable inputs) and the organization's own assumptions (unobservable inputs). The hierarchy consists of: Level 1 – quoted market prices in active markets for identical instruments; Level 2 – inputs other than Level 1 inputs that are observable; and Level 3 – unobservable inputs developed using estimates and assumptions determined by the organization. The inputs and methodology used for valuing the Organization's financial assets and liabilities are not indicators of the risks associated with those instruments.

If an investment that is measured using net asset value (NAV) has a readily determinable fair value (that is, it can be traded at the measurement date at its published NAV), it is included in Level 1 of the hierarchy. Otherwise, investments measured using NAV's, if any, are not included in Level 1, 2 or 3, but are separately reported.

The fair value of the Organization's beneficial interests in foundation endowment funds held by Innovia is based on the fair value of the investments as reported by Innovia. This is considered to be a Level 3 measurement.

Fair Value Measurements, Continued

At June 30, 2025 and 2024, the only assets or liabilities of the Organization that were measured at fair value on a recurring basis are summarized as follows:

<u>June 30, 2025</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Investments in mutual funds	\$ 2,537,331	\$ --	\$ --	\$ 2,537,331
Beneficial interest in foundation endowment	--	--	1,192	1,192
	<u>\$ 2,537,331</u>	<u>\$ --</u>	<u>\$ 1,192</u>	<u>\$ 2,538,523</u>
<u>June 30, 2024</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Investments in mutual funds	\$ --	\$ --	\$ --	\$ --
Beneficial interest in foundation endowment	--	--	1,080	1,080
	<u>\$ --</u>	<u>\$ --</u>	<u>\$ 1,080</u>	<u>\$ 1,080</u>

A reconciliation of the beginning and ending balances of the beneficial interest in the foundation endowment fund held by Innovia for the years ended June 30, 2025 and 2024 is included in the table in Note 5.

Certain assets and liabilities are measured at fair value on a nonrecurring basis; that is, the instruments are not measured at fair value on an ongoing basis, but are subject to fair value adjustments only in certain circumstances (for example, when there is evidence of impairment). The Organization had no assets or liabilities measured at fair value on a nonrecurring basis during 2025 and 2024.

Leases

At times, the Organization is a lessee in noncancelable operating and financing leases. If a contract provides the Organization the right to substantially all the economic benefits and the right to direct the use of the identified asset, it is considered to be a lease. Right-of-use (ROU) assets and lease liabilities are recognized at the lease commencement date based on the present value of the future lease payments over the expected lease term. The ROU asset is also adjusted for any lease prepayments made, lease incentives received, and initial direct costs incurred.

The lease liability is initially and subsequently recognized based on the present value of its future lease payments. Variable payments are included in the present value when the underlying rate or index is fixed and predictable for the life of the lease. Variable costs that depend on an unpredictable index are accounted for as expenses as they are incurred. Increases (decreases) to variable lease payments due to subsequent changes in an index or rate are recorded as variable lease expense (income) in the future period in which they are incurred.

The ROU asset for operating leases is subsequently measured throughout the lease term at the amount of the remeasured lease liability (i.e., the present value of the remaining lease payments), plus unamortized initial direct costs, plus (minus) any prepaid (accrued) lease payments, less the unamortized balance of lease incentives received, and any impairment recognized. The ROU asset for finance leases is amortized on a straight-line basis over the lease term.

2. Summary of Significant Accounting Policies, Continued

Leases, Continued

The Organization has elected the option to use the risk-free rate determined using a period comparable to the lease terms as the discount rate for leases where the implicit rate is not readily determinable. The Organization has elected to not recognize ROU assets and lease liabilities for short-term leases that have a lease term of 12 months or less at lease commencement and do not include an option to purchase the underlying asset that the Organization is reasonably certain to exercise. Leases containing termination clauses in which either party may terminate the lease without cause and the notice period is less than 12 months are deemed short-term leases with lease costs included in short-term lease expense. The Organization recognizes short-term lease costs on a straight-line basis over the lease term.

In addition, under the standard, the Organization has adopted a policy which evaluates the material nature of long-term leases as a group. For group calculations which fall below the policy threshold for recording, the Organization will not recognize the ROU assets and lease liability, and will instead expense these costs as incurred.

Grants and Contracts Revenue

The Organization must perform services or meet specific conditions to receive grant and contract funds. When the conditions are met or the required services have been provided, the government agency is billed, and the support is recognized.

Generally, there are no significant remaining restrictions associated with the grants or contracts when the support is recognized. However, if there are restrictions, the amount is recorded as deferred revenue in the current liability section of the Statements of Financial Position. Once the requirements have been satisfied, the Organization removes the amount from deferred revenue and recognizes the amount as grants and contracts revenue in the Statements of Activities and Changes in Net Assets.

Revenue Recognition

Revenue from exchange transactions is recognized in accordance with FASB ASU 2014-09, *Revenue from Contracts with Customers*, as amended. ASU 2014-09 applies to exchange transactions with customers that are bound by contracts or similar arrangements and establishes a performance obligation approach to revenue recognition. The Organization records the following exchange transaction revenue in its Statements of Activities:

Special Fundraising Event Revenue – The Organization conducts special events in which a portion of the gross proceeds paid by the participant represents payment for the direct cost of the benefits received by the participant at the event (the exchange component), and a portion represents a contribution to the Organization. Unless a verifiable objective means exists to demonstrate otherwise, the fair value of meals and entertainment provided at special events is measured at the actual cost to the Organization. The contribution component is the excess of the gross proceeds over the fair value of the direct donor benefit. The direct costs of the special events, which ultimately benefit the donor rather than the Organization, are recorded as costs of direct donor benefits in the Statements of Activities. The performance obligation is delivery of the event. The event fee, if any, is set by the Organization.

2. Summary of Significant Accounting Policies, Continued

Revenue Recognition, Continued

FASB ASU 2014-09 requires allocation of the transaction price to the performance obligations. Accordingly, the Organization separately presents in its notes to financial statements the exchange and contribution components of the gross proceeds from special events (see Note 12). Special event fees collected by the Organization in advance of its delivery, if any, are initially recognized as liabilities and recognized as special event revenue after delivery of the event. For special event fees and sponsorships received before year-end for an event to occur after year-end, the Organization follows AICPA guidance where the inherent contribution is conditioned on the event taking place and is therefore treated as a refundable advance along with the exchange component.

Other program revenue consists primarily of rent revenue and is recognized on a monthly basis as earned.

Contributions of Cash and Recognition of Donor Restrictions

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Contributions of cash and other financial assets with donor-imposed temporary restrictions, where the restrictions have been satisfied in the same reporting period as received, are reported as increases in net assets without donor restrictions. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as restricted support that increases net assets with donor restrictions. When a temporary restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the Statement of Activities and Changes in Net Assets as net assets released from restrictions.

Contributions of Nonfinancial Assets

Donated property, supplies, and other non-cash donations are recorded as contributions at their fair market value at the date of donation. The Organization reports any donations as unrestricted support, unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets must be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Donated services are recognized as contributions if the services either create or enhance non-financial assets or require specialized skills, which are performed by people with those skills, and would otherwise be purchased by the Organization. Donated services that do not require specialized skills or enhance nonfinancial assets are not recorded in the accompanying financial statements because no objective basis is available to measure the value of such services. Some members of the Organization and a substantial number of volunteers have donated significant amounts of their time in furthering the Organization's programs and objectives. No amounts have been included in the financial statements for donated member or volunteer services since they did not meet the criteria for recognition under professional accounting standards.

Functional Expenses

Costs associated with providing the various programs and supporting services of the Organization have been summarized in the Statements of Activities and Changes in Net Assets and have been detailed on a functional basis in the Statements of Functional Expenses. Most expenses can be directly allocated to one of the programs or supporting services. Certain categories of expenses are attributed to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. Any expenditures of the Organization not directly chargeable to a specific program or supporting service are allocated based on management policies and estimates and the guidelines outlined in the grants and contracts, if any. Management has elected to use direct payroll as the primary basis for allocating indirect costs, unless otherwise outlined in grants and contracts. The financial statements report expenses by function in the Statements of Functional Expenses.

Advertising (Marketing) Expenses

Advertising costs are expensed as incurred. Advertising expenses for the years ended June 30, 2025 and 2024 were \$21,180 and \$8,058, respectively.

Income Taxes

The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and therefore has made no provision for federal income taxes in the accompanying financial statements. However, the Organization is subject to tax on unrelated business income, if any. Management of the Organization believes such amounts, if any, would be immaterial.

The Organization has not identified any uncertain income tax positions that would jeopardize its tax-exempt status. The Organization's tax returns are subject to review and possible examination by federal authorities. With few exceptions, the tax returns essentially remain open for possible examination for a period of three years after the respective filing deadlines of those returns.

Credit Risk

Financial instruments which potentially subject the Organization to concentration of credit risk consist principally of cash and cash equivalents and receivables.

The Organization maintains its cash and cash equivalents with high credit quality financial institutions and generally limits the amount of exposure to any one financial institution. The Organization's cash in bank and credit union deposit accounts, at times, may exceed federally insured limits. The Organization has not experienced any losses in such accounts and management believes the Organization is not exposed to any significant credit risk on cash and cash equivalents.

Accounting Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management of the Organization to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Accordingly, actual results could differ from those estimates and affect the amounts reported in the financial statements.

Subsequent Events

The Organization's management has evaluated subsequent events through March 25, 2026, the date as of which these financial statements were available to be issued. No material subsequent events have occurred since June 30, 2025 that require disclosure in these financial statements.

3. Liquidity and Availability of Funds

The Organization's financial assets available for general expenditure, without donor or other restrictions limiting their use, within one year of the statement of financial position date are as follows:

	<u>2025</u>	<u>2024</u>
Cash and cash equivalents	\$ 115,901	\$ 324,836
Less: restricted cash and cash equivalents	(178,838)	(205,649)
Investments	2,537,331	--
Less: restricted investments	(2,500,000)	--
Grants and accounts receivable	<u>1,110,899</u>	<u>1,095,262</u>
Financial assets available to meet general expenditures	<u>\$ 1,085,293</u>	<u>\$ 1,214,449</u>

The Organization's net assets with donor restrictions consist of restricted cash and cash equivalents, certain grants and contributions receivable, and restricted property and equipment. These assets are limited to use and are not available for general expenditure within the next year.

As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

4. Cash and Cash Equivalents

Cash and cash equivalents consist of cash on hand and deposits held in checking and savings accounts with a local bank and credit union. Custodial credit risk is the risk that in the event of a bank or credit union failure, the Organization's deposits may not be returned to it. Deposits held in checking and savings accounts at the bank and credit union are insured by the Federal Deposit Insurance Corporation (FDIC) and National Credit Union Association (NCUA), respectively, up to \$250,000 at each institution.

The carrying amount of cash and cash equivalents, including restricted cash and cash equivalents and tenant security deposits, on the Organization's books at June 30, 2025 was \$115,901 and bank and credit union balances totaled \$156,915. The differences between the carrying amount of cash and cash equivalents on the Organization's books and the bank and credit union balances consisted of outstanding checks and deposits not processed by the bank and credit union as of June 30, 2025. All balances were fully insured at June 30, 2025.

5. Investments

Investments consist of a money market mutual fund held in an account at Washington Trust Bank, managed by Cetera, and a beneficial interest in a foundation endowment held and managed by Innovia. The fair value and cost of investments in the mutual fund at June 30, 2025 were both \$2,537,331. The return on investments in the mutual fund, consisting of reinvested interest and dividends, for the year ended June 30, 2025 was \$37,331.

5. Investments, Continued

During 2022, the Organization's Board made a decision to establish the fund by contributing \$1,000 to Innovia pursuant to a reciprocal transfer. Under the terms of the fund agreement with Innovia, the Organization is the beneficiary of the fund and, subject to Innovia's spending policy, may receive distributions of investment earnings from the fund. The following table shows the changes in the beneficial interest for the years ended June 30, 2025 and 2024:

	<u>2025</u>	<u>2024</u>
Balance at beginning of year	\$ 1,080	\$ 983
Additions and contributions	<u>--</u>	<u>--</u>

Balance at end of year	<u><u>\$ 1,192</u></u>	<u><u>\$ 1,080</u></u>

6. Property and Equipment

Property and equipment at June 30, 2025 and 2024 are summarized as follows:

	<u>2025</u>	<u>2024</u>
Buildings and improvements	\$ 4,366,465	\$ 4,160,333
Furniture and equipment	132,272	130,197

Construction in progress	<u>894,251</u>	<u>156,417</u>
	<u><u>\$ 5,146,090</u></u>	<u><u>\$ 4,332,298</u></u>

Depreciation expense for the years ended June 30, 2025 and 2024 was \$174,891 and \$164,083, respectively.

Certain assets included in property and equipment were purchased using grant funds. During the fiscal year ended June 30, 2024, the Organization purchased land and buildings totaling \$809,000 that were partially funded with two capital funding grants. During the fiscal year ended June 30, 2025 renovations were begun on the properties also partially using grant funds. The terms of these grants include restrictions on the use and disposal of the properties.

The combined total of restricted property and equipment reported in the Statements of Financial Position was \$994,792 and \$816,523 at June 30, 2025 and 2024, respectively.

7. Accrued Compensated Absences

All full-time employees earn the equivalent of three weeks of vacation for their first and second full years of employment, earn an additional two days of vacation in their third year of employment and earn an additional day per year of employment beginning in their fourth year up to a maximum of four weeks of vacation after five full years of employment. Part-time employees earn vacation time at the rate of one hour for every forty hours worked. All employees can carry over 40 hours of vacation time. If an employee wishes to carry over more than 40 hours of vacation time, Executive Director approval is required. Accrued vacation time is payable to employees upon termination.

Sick time continues to be earned by both part-time and full-time employees at the rate of one hour for every forty hours worked. Accrued sick time is not payable to employees upon termination.

Accrued compensated absences totaling \$51,080 and \$52,032 are included in accrued payroll and related liabilities in the Statements of Financial Position at June 30, 2025 and 2024, respectively.

8. Lines of Credit

At June 30, 2025 and 2024, the Organization had the following lines of credit with Washington Trust Bank:

	<u>2025</u>	<u>2024</u>
Unsecured line of credit, due October 15, 2024, interest rate was 9.00% at June 30, 2024, interest only due monthly	\$ --	\$ 396,293

10. Lessee Leasing Activities

Effective July 1, 2022, the Organization adopted ASC Topic 842, Leases (“ASC 842”), which requires the recording of lease right of use (“ROU”) assets and lease liabilities. The Organization has operating leases for a branch location and certain office equipment. The leases have remaining lease terms of approximately one to 4 years, some of which may include options to extend the leases. In addition to fixed lease payments, the Organization incurs variable lease charges that are recognized as incurred. These charges are primarily for real estate taxes on leased facilities. The Organization includes in the determination of the right of use assets and lease liabilities any renewal or termination options when the options are reasonably certain to be exercised. The leases are classified as operating leases and may provide for increases in future minimum rental payments each year.

The weighted-average discount rate is based on the discount rate implicit in the lease when readily determinable. The Organization has elected the option to use the risk-free rate as the discount rate for leases, determined using a period comparable to the lease terms, where the implicit rate is not readily determinable. This option has been applied to all classes of assets. Leases with an initial term of 12 months or less are not recorded in the Statements of Financial Position.

11. Lessor Leasing Activities

The Organization owns eight apartments above the shelter located at 2002 E. Mission Avenue, which it leases to tenants under various terms. The monthly rent on these apartments ranges from \$400 to \$900. As of June 30, 2025, six are utilized as low income rentals and two are utilized as transitional housing. The total rental income recognized during the fiscal years ended June 30, 2025 and 2024 was \$22,021 and \$42,992, respectively.

12. Special Fundraising Event Revenue

During both of the years ended June 30, 2025 and 2024, the Organization hosted an in-person fundraising event, UnGala, to raise funding for certain of its programs. Gross receipts from special fundraising events recorded by the Organization in the Statements of Activities consist of exchange transaction revenue and contribution revenue. The components of this revenue are summarized as follows:

	<u>2025</u>	<u>2024</u>
Contributions, including contributions of nonfinancial assets	\$ 216,782	\$ 192,090
Event revenue	<u>23,806</u>	<u>20,185</u>
Special fundraising events, gross	240,588	212,275
Less: cost of direct benefit	<u>(28,545)</u>	<u>(32,322)</u>
Special fundraising events, net	<u>\$ 212,043</u>	<u>\$ 179,953</u>

13. Contributions of Nonfinancial Assets

The Organization receives donated property, food, labor, material, miscellaneous supplies and services, the value of which totaled \$27,777 and \$74,032 for the years ended June 30, 2025 and 2024, respectively. These amounts have been recorded as contributions of nonfinancial assets in the Statements of Activities and Changes in Net Assets.

Professional services	<u>1,290</u>	<u>22,717</u>
Total contributions of nonfinancial assets	<u>\$ 27,777</u>	<u>\$ 74,032</u>

In addition to the amounts reflected above, some members of the Board and a substantial number of volunteers have donated significant amounts of their time in furthering the Organization's programs and objectives. No amounts have been included in the financial statements for donated volunteer services since they did not meet the requirements for recognition as contributed services.

14. Net Assets

Net Assets Without Donor Restrictions

Net assets without donor restrictions include assets not subject to donor-imposed restrictions, either temporary or permanent, and consist of net assets received that are general in nature as to use and operating purposes. Gifts of long-lived assets without donor-imposed stipulations about how long the assets must be used are classified as unrestricted net assets. Board designated amounts are recorded as net assets without donor restrictions. At June 30, 2025 and 2024, the Organization had no Board designated amounts.

Net Assets With Donor Restrictions

Net assets with donor restrictions are those net assets that either have temporary or permanent restrictions placed upon them. Temporarily restricted net assets include assets subject to donor-imposed time or use restrictions that have not been met at the reporting date. Contributions of cash and other assets with donor-imposed temporary restrictions, where the restrictions have been satisfied in the same reporting period as received, are reported as increases in net assets without donor restrictions. Permanently restricted net assets include assets subject to donor-imposed restrictions whereby the principal assets or amounts must be maintained in perpetuity.

Net assets with donor restrictions are restricted for the following purposes or periods:

	<u>2025</u>	<u>2024</u>
<i>Subject to expenditure for a specific purpose:</i>		
Capital campaign	\$ 29,066	\$ 93,396
Client emergency assistance programs	2,666,611	162,028

15. Commitments and Contingencies

Professional Liability Insurance

The Organization is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; and natural disasters. The Organization maintains professional liability insurance coverage through a policy with a commercial insurance carrier, which provides protection on a claims-made basis. Settled claims did not exceed insurance coverage during any of the past three fiscal years.

Grants and Contracts

The Organization receives significant financial assistance from federal, state and local governmental agencies in the form of grants and contracts, which are governed by various rules and regulations of the grantor agencies. The disbursement of funds received under these programs generally requires compliance with terms and conditions specified in the grant and contract agreements and is subject to audit by the Organization's independent auditors and other governmental auditors. Therefore, to the extent that the Organization has not complied with the terms and conditions governing the grants, refunds of any money received may be required, and the collectability of any related receivables at June 30, 2025 may be impaired. Based on prior experience, management of the Organization believes such amounts, if any, would be immaterial.

15. Commitments and Contingencies, Continued

Concentrations

Approximately 21% and 16% of the Organization's support and revenue for the years ended June 30, 2025 and 2024, respectively, was derived from grants and contracts from the City of Spokane (the City). These percentages include amounts received by the Organization as a subrecipient of Federal awards. Approximately 23% and 20% of the Organization's support and revenue for both of the years ended June 30, 2025 and 2024, respectively, was derived from grants and contracts from Spokane County (the County).

At June 30, 2025 and 2024, \$865,131 and \$426,633, respectively, of the Organization's grants and contracts receivable were due from the City or the County. As of the date of the report, substantially all of the amounts due at June 30, 2025 had been collected.

The Organization's operations are dependent on continued support from grants and contracts.

Affiliated Agency

The Organization is a member of the national Family Promise, Inc. affiliate network and paid annual affiliate fees of \$8,500 for both the years ended June 30, 2025 and 2024.

16. Prior Period Adjustment

As discussed in Note 6, the Organization purchased two properties during 2024 and started renovations using funding from capital grants that had restrictions on the use and disposal of these properties. In the 2024 financial statements, management neglected to include one of these properties as amounts with donor restrictions and an increase in net assets with donor restrictions on the Statement of Activities and Changes in Net Assets. Overall changes in net assets remains unchanged, but a prior period adjustment is required to properly allocate between net assets with and without donor restrictions.

The effects of posting that adjustment require a restatement of the financial statements as of and for the year ended December 31, 2024 as follows:

	As Previously <u>Reported</u>	As <u>Restated</u>

Compliance Reports

**Independent Auditor's Report on Internal Control over Financial Reporting
and on Compliance and Other Matters Based on an Audit of Financial
Statements Performed in Accordance with *Government Auditing Standards***

Board of Directors
Family Promise of Spokane, Inc.
Spokane, Washington

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Family Promise of Spokane, Inc. (the Organization), which are comprised of the statements of financial position at June 30, 2025 and 2024, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements, and have issued our report thereon dated March 26, 2026.

Internal Control over Financial Reporting

In planning and performing our audits of the financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency* in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audits we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audits and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The sole purpose of this report is to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Family Promise of Spokane, Inc.
Notes to Schedule of Expenditures of Federal Awards
Year Ended June 30, 2025

1. Basis of Presentation

The accompanying Schedule of Expenditures of Federal Awards includes the federal grant activity of Family Promise of Spokane, Inc. and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*.

2. Federal De Minimis Indirect Rate

The Organization has elected to use the 10 percent de minimis indirect cost rate allowed under the Uniform Guidance.

3. Program Costs and Matching Contributions

The amounts shown as current year expenditures represent only the federal grant portion of program costs. Entire program costs, including the Organization's local matching share, may be more than shown. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

Independent Auditor's Report on Compliance for Each Major Program and on Internal Control over Compliance Required by the Uniform Guidance

Board of Directors
Family Promise of Spokane, Inc.
Spokane, Washington

Report on Compliance for Each Major Federal Program

We have audited Family Promise of Spokane, Inc.'s (the Organization) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended June 30, 2025. The Organization's major federal programs are identified in the Summary of Auditor's Results section of the accompanying Schedule of Findings and Questioned Costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Organization's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Organization's compliance.

Opinion on Each Major Federal Program

In our opinion, Family Promise of Spokane, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2025.

Report on Internal Control over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Purpose of this Report

The sole purpose of this report on internal control over compliance is to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
